

HALLOWEEN!

- Avoid higher risk Halloween traditions and focus celebrations on the lower and moderate risk activities.
- Maintain social distancing and follow face covering rules when participating in Halloween activities.
- A costume mask is not a substitute for a cloth or surgical mask. Face masks that cover the mouth and nose are required. Skip the costume mask and decorate your face mask instead.
- Refrain from leaving your home for any Halloween activity and do not pass out Halloween candy if you are ill or have traveled to one of the states listed on the [New Jersey travel advisory](#) between October 16th and October 30th (i.e. 14 days before Halloween).

Events to Consider

- ✓ Prepare candy scavenger hunts at homes with your household
- ✓ Host a Halloween movie night with your household
- ✓ Host an outdoor socially distanced pumpkin carving event

Events to Avoid

- ✗ No large parties that exceed 25 people indoors
- ✗ Indoor haunted houses where people may be crowded together and screaming
- ✗ Hayrides with people who are not in your household
- ✗ Traditional trick-or-treating where treats are handed to children who go door to door
